## Mach25 Search Options

Mach25 provides you with three fast, easy to use techniques for locating the right scholarships and awards. Keep in mind that the results you obtain from any of these methods are always restricted according to the filters, if any, you may have previously set.

### 321 Option 1: Filter Search of Mach25 Database

This option returns the complete, undifferentiated list of awards satisfying the filters you've set.

322

### 323 Option 2: Category Search of Mach25 Database

Just as the layout of a mall provides a convenient, organized way to see what's available as you shop for goods, the Category Search lets you peruse the rich variety of possible awards as you narrow in on those most relevant to you. While your local mall has stores and those stores have departments, Mach25 has "categories" of awards and those categories contain "subcategories." Clicking here allows you to freely "shop" through the logical structure of the Mach25 database.

324

### 325 Option 3: Keyword Search of Mach25 Database

Need a quick way to find all scholarships that mention the word 'golf'? Want to see all the awards provided by the "Coca Cola" foundation? Enter your keyword here, press search, and whammo-- you've got it!

## Mach25 Scholarship Categories

Here's the whole "shopping mall" for Mach25! Each block in the matrix below is like a "store" containing potential awards. Click on "subcategories" within any block to quickly review deeper groupings of awards, or click on "scholarships" to immediately list the awards in any given block. Return to this matrix as you do your searching and you'll see that the hyperlinks within each visited block appear in a different color. This feature lets you easily keep track of where you've been as you investigate all your scholarship options.
